SUPPLEMENTARY INFORMATION:

Correction

In the *Federal Register* of February 8, 2022, in the FR Doc 2022-02638 on page 7119, in the third column, in the section “Assessment Rate,” we inadvertently omitted a sentence related to the liquidation instructions for Colakoglu. The “Assessment Rate” section should include the sentence: “Because we calculated a margin for Colakoglu which is zero or *de minimis* in the

final results of this review, we intend to instruct CBP to liquidate the appropriate entries without regard to antidumping duties.”

Background

On February 8, 2022, Commerce published in the *Federal Register* the notice of the final results of the 2019-2020 administrative review.¹ We inadvertently omitted a sentence in the “Assessment Rates” section pertaining to Colakoglu. Thus, we are adding the following sentence in the “Assessment Rates” section of the notice: “Because we calculated a margin for Colakoglu which is zero or *de minimis* in the final results of this review, we intend to instruct CBP to liquidate the appropriate entries without regard to antidumping duties.” This notice serves as a notification of this correction to the *Federal Register* notice published on February 8, 2022.
